

Europa 2

Today in port of Kotor sailed cruise ship Europa 2. BRT of this ship are 42830, LOA 225.38mtrs and sails under the flag of Malta. On board are 251 passengers and 357 crew members.

Personal service, a high gastronomic standard, individual travel programme and excellent interiors: you will experience this comfort on the newcomer to the Hapag-Lloyd Cruises fleet in a modern and casual atmosphere. As a new building and our second flagship EUROPA 2 will be heading for the most attractive destinations in the world as from May 2013.

The route concept concentrates on four regions: Western Mediterranean, Eastern Mediterranean, Arabian Peninsula and Asia.

The interior concept follows current design trends and is a successful mixture of casual and stylish ambience with state-of-the-art technology. Hardly any other ship offers more space per guest as EUROPA 2 since, after all is said and done, well-being is also measured in square metres.

Besides culinary diversity and luxurious surroundings, wellness, fitness and a multi-faceted

entertainment programme are the highlights of EUROPA 2. All these features can be enjoyed in a relaxed atmosphere and, of course, at the unique high standard that you expect of a ship that proudly bears the name EUROPA. Experience the new way of enjoying luxury in a relaxed ambience.
