This morning in the port of Kotor sailed "Pacific Princess". Vessel is 180.45 long, BRT is 30277, NRT 11481 and sails under the flag of Bermuda. Last port of this ship was Corfu and next port will be Korcula, Croatia.

While Pacific Princess features space onboard for just 680 passengers, she doesn't skimp on amenities. As one of the Small Ships of Princess, this intimate ship offers two incredible specialty restaurants onboard, Sterling SteakhouseSM and Sabatini'sSM, both with great tasting food to enhance your night out. In the main dining rooms, Traditional Dining offers an authentic cruising experience where the same friendly waitstaff serve you each night as you get to know your fellow tablemates.
